GO!!! Challenger

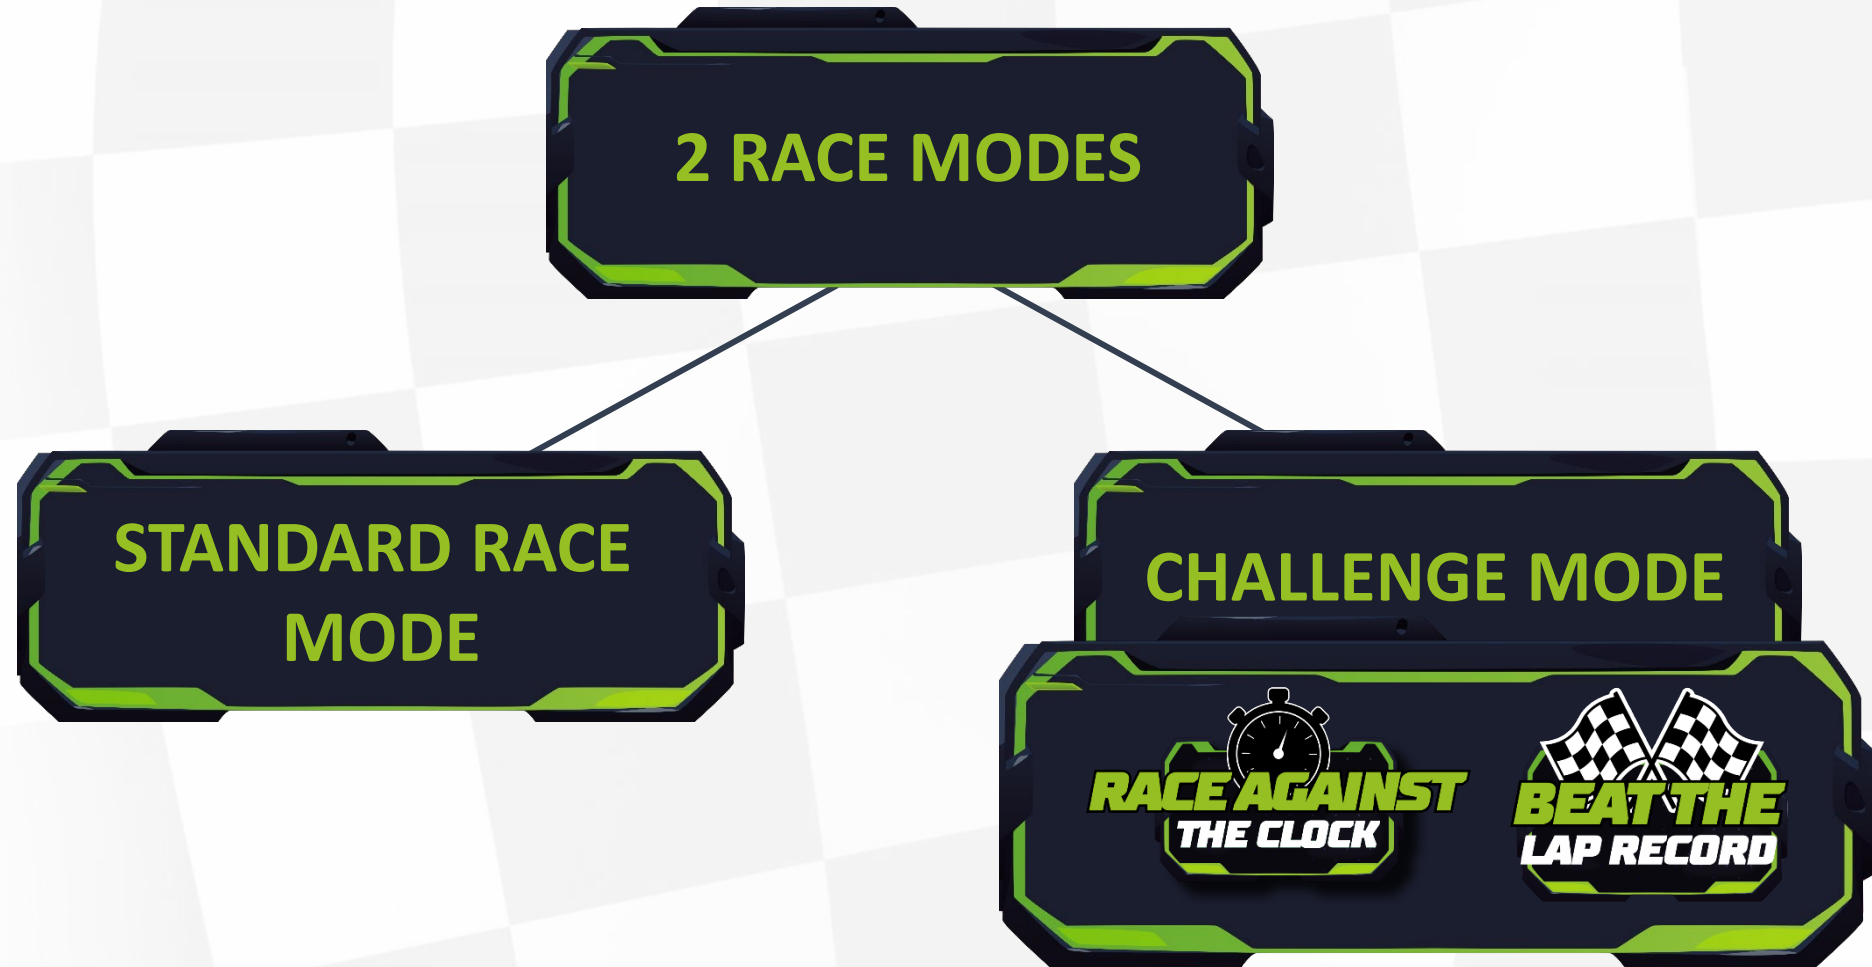

What is Carrera GO!!! Challenger?

- 🏁 Carrera GO!!! Challenger is a new single-lane racetrack featuring the fastest Carrera GO!!! track of all time
- 🏁 The lap counter in combination with the new timer function guarantees real Challenger spirit.
- 🏁 Exciting high-speed action and fun as a single player or in alternating competition with a friend
- 🏁 Tracks and vehicles compatible with Carrera GO!!!

2 Race Modes selectable

STANDARD RACE MODE

The standard race mode offers the same playing pleasure as the regular Carrera GO!!! Racetrack

- dash across the racetrack, count the laps and have fun!
- with high speed through the action elements - the Turbo Boost makes the difference! Stay on the track or risk a spectacular take-off!

CHALLENGE MODE

Challenge mode is a competition against time. The built-in lap counter and the speed box with new timer function take the competition to a new level.

It's all about staying cool, staying on track and mastering as many laps as possible on the high-speed track in a given time.

This is guaranteed real Challenger spirit and fun on the way to the lap record, as a single player or alternately with a friend.

A skillful use of the turbo button catapults the driver to the new lap record!
